COLLEGE CURRICULUM COMMITTEE

The college curriculum committees oversees and evaluate the academic programs offered by the college. The committee is responsible for reviewing the courses and it ensures that they meet the academic standards and requirements of the institution. The committee also assesses the relevance, quality, and effectiveness of the curriculum in meeting the educational goals and objectives of the college. Additionally, the committee may collaborate with faculty, administrators, and other stakeholders to develop methods for the proper planning and implementation of curriculum prescribed by INC and the Tamilnadu Dr.M.G.R Medical University.
