Message by President

Dear Alumnae,

Greetings from GRT College & School of Nursing Alumnae Association! It gives me immense pleasure to be connected with all of you through our Alumnae WhatsApp Group, Alumnae Email ID, and the Alumni Portal of GRT Group of Educational Institutions. We are delighted and proud to know that our alumnae are making remarkable contributions across State and Central Government Hospitals, private corporate hospitals, the public health sector, teaching institutions, IT organizations, and various training institutes. You, our esteemed alumnae, are the true ambassadors of our institution, carrying forward its values, culture, and legacy while bringing pride and recognition to GRT College & School of Nursing. We are pleased to present the Alumnae Bulletin - Issue 05, August 2026, which serves as a platform to strengthen our bond, stay connected, and exchange information and achievements. We look forward to hearing about your professional growth, accomplishments, and milestones, and we are equally happy to share the latest developments and achievements of our institution with you. Let us continue to stay connected, support one another, and make the GRT Alumnae family stronger and brighter!

VII. ALUMNAE MEET HIGHLIGHTS

The 5th Annual Alumnae Home Coming Meet was organized on 25.03.2025 from 10.00 a.m. to 12.30 p.m. at the GRT CON Auditorium, with the participation of 170 alumnae. The programme commenced with a prayer song, followed by the welcome address by Prof. Chitra. A. I, Vice Principal. A welcome classical dance was performed by Ms. Sreelakshmi, II Year B.Sc. Nursing student. The Alumnae Report was presented by Mrs. Nirmala. M, Associate Professor, followed by the Recent Development Report of GRT College and School of Nursing by Dr. Padmavathi. R, Principal. The 5th Alumnae Newsletter Bulletin was released by the Chief Guest, Dr. Jamuna. N, RN, RM, PhD, General Manager, Impetus Health care Skills. She delivered an inspirational speech emphasizing lifelong learning, practice, critical thinking, self-development, competency enhancement, and career opportunities for nursing graduates. Alumnae shared their professional experiences, followed by cultural programmes and recreational activities. The programme concluded with the Vote of Thanks by Mrs. Vinodhini. M, Clinical Instructor, and the National Anthem. The event was a memorable occasion that strengthened the bond between the institution and its alumnae. The management, Principal, faculty members, supporting staff, and alumnae were sincerely appreciated for their valuable support and contribution towards the successful conduct of the programme.

7.	St.Isabel Hospital	76/87
8.	Dhiya Fertility Centre	17/58

IX. REMINISCENCE & NOSTALGIA

We sincerely thank our respected Management and Principal Madam for everything you have done for us. Thank you for providing facilities like the simulation lab, BLS course, and many valuable learning opportunities that strengthened our practical knowledge and skills. You have provided an environment where students from different states and cultures can learn together in unity and respect. You always tried your best to give us quality education and proper clinical exposure.

To our dear teachers, thank you for correcting us when we made mistakes, encouraging us when we felt low.

Thanks to our faculties for the extra efforts, you took for us. You carefully prepared and wrote down all the important 5-mark and 2-mark questions from previous years' question papers to help us prepare better. Not every college does this for their students, and we truly appreciate your dedication. Our teachers have always been very supportive and have continuously worked for our betterment and success.

Being from the Northeast, we did not know even a single Tamil word when we first came here. Everything felt new and unfamiliar, and we sometimes struggled to understand conversations. But we were blessed with wonderful friends who patiently helped us learn Tamil word by word. Though we are from other states, you all never made us feel different. Instead, you included us. We came here knowing just one word "Ille" and today we leave with knowledge, confidence, friendships, and hearts full of gratitude.

Our hostel truly felt like a second home. Being far from our families was not easy, but the hostel gave us comfort, support, and beautiful memories. We would also like to appreciate the GRT hostel facilities and food. The environment was warm, organized, and homely, with all necessary amenities. The food was always hot, hygienic, and prepared with care so much so that we rarely missed home-cooked meals.

This place has shaped us not only as nursing professionals but also as individuals. We will always be grateful.

HIBU RINYO & TAKHE MUNYA, BSc(N)
(2021 - 2025 Batch)

GRTCON ALUMNAE BULLETIN

Looking back at these past four years at GRT, we're honestly amazed at how much we have changed. We want to say a huge thank you to our Management and Principal, the management, and our teachers for not just teaching us nursing, but for showing us true compassion and providing such incredible opportunities. From the excellent campus facilities to our clinical postings, our college chose the top hospitals in Chennai, which gave us the chance to get real hands-on practice from some of the best professionals in the field.

Coming all the way from Kerala, we felt like a total stranger at first and didn't know a single word of Tamil. But thanks to the patient guidance of our teachers and my friends, who truly became my second family, we can now speak it fluently and confidently. Even though we were from a different state, everyone welcomed us with open arms and no partiality.

Even the hostel felt like a real home; the facilities were great, and the outstanding food consistently cured our homesickness. We can say with 100% certainty that GRT is the best choice for anyone. We're leaving today feeling like a stronger, more capable person, forever grateful for the warmth and love we found here.

**ANUSHA DINESH &
MIRAYA ELIZABETH JACOB
(2021- 2025 Batch)**

We are truly thankful for the greatest opportunity to study at GRT College of Nursing. It has been a privilege to be a part of such a respected institution that has shaped not only our knowledge but also our character and future. We express our sincere gratitude to our respected Principal, Vice Principal, all our dedicated faculty members, and the entire management for providing us with an excellent environment to learn and grow. The four years we spent here have been filled with valuable lessons, unforgettable memories, and countless opportunities that have helped us build a strong foundation for our careers.

Our beloved teachers have played a major role in molding us into responsible and skilled professionals. Their constant guidance, encouragement, and support have shown us the right path to shine in our future. Each faculty member contributed in their own unique way, patiently teaching us, correcting us, and inspiring us to become better every day. Their dedication and commitment towards our success will always remain in our hearts. One of the most emotional parts of leaving this institution is saying goodbye to our hostel life.

The hostel is a place we can never forget. It was more than just accommodation; it was our second home. We never experienced such a comfortable and caring environment before. What makes it even more special is the way our faculty members accompanied us in the hostel, took care of us when we were sick, and supported us whenever we needed help. The most admirable aspect was how they accepted us as their own children and ensured that all our needs were met with love and care.

We are also deeply grateful for the opportunity to receive German language training, which has opened a new path for our future and broadened our career prospects. This opportunity has given us confidence and hope to achieve greater heights in our professional journey.

Finally, we wholeheartedly thank GRT College of Nursing for taking care of us throughout these four wonderful years. The memories we created here will remain with us forever. We will never forget the days we spent in this cherished institution. Thank you to everyone who supported us, guided us, and loved us. We will always be grateful, and we will truly miss you all.

Yours lovingly
S.Idhaya Deepa

As I complete my four years of college life, I express my sincere gratitude to my institution, respected Principal, teaching and non-teaching faculty for shaping my academic and personal journey. My time here has been transformative, filled with valuable lessons, challenges, and achievements that helped me grow not only as a student but also as an individual.

From the beginning, the college provided excellent infrastructure, well-equipped libraries, clinical facilities, and strong administrative support that created a positive learning environment. The seminars, workshops, and extracurricular activities enriched my knowledge and enhanced my professional skills. The supportive and inclusive atmosphere encouraged me to build meaningful relationships, develop leadership qualities, and gain confidence.

Living in the hostel away from my family was challenging at first, but it strengthened my resilience, independence, and time management skills. The friendships I formed became my support system and made my journey memorable. The faculty's constant guidance and encouragement helped me stay motivated despite the distance from home.

I am especially grateful for the college's commitment to student welfare. Whenever students faced health issues, the institution ensured immediate medical care and support, giving us comfort and security.

My college has been more than a place of education; it has been a nurturing "environment that shaped my intellectual, professional, and personal growth. I will always cherish the experiences and values gained here.

R. PRABHAVATHY, B.Sc (N)
2021 - 2025 Batch

Hello everyone,

I am **KAMALA, (2014 – 2018 BATCH)** a proud alumna of GRT College of Nursing. I am currently working as a Staff Nurse at AIIMS.

When I look back at my nursing college days, I realise that those years gave me much more than academic knowledge. They gave me the foundation, confidence, discipline, and professional values that continue to guide me in my nursing career. My clinical postings and the guidance of my teachers helped me understand what it truly means to be a nurse. They taught me the importance of patient care, compassion, responsibility, teamwork, and professionalism.

Today, working at AIIMS has given me the opportunity to care for patients with diverse needs and to work alongside experienced healthcare professionals. Every day brings new learning and new challenges. I strongly believe that the foundation we receive during our student life plays an important role in how we face these challenges as professionals.

To all the present students, I would like to say: Believe in yourself and make the most of your college years. Learn not only from textbooks, but also from your clinical experiences. Be curious, ask questions, develop your communication and clinical skills, and always treat every patient with dignity and empathy.

I would also like to express my sincere gratitude to my teachers and everyone who supported and encouraged me throughout my nursing journey. Whatever I have achieved today is a part of the foundation that was built during my student years. I feel extremely proud to be an alumna of GRT College of Nursing, and I am grateful to remain connected with my alma mater.

I wish the institution continued success in nurturing many more confident, compassionate, and competent nurses who will make a difference in healthcare.

Thank you, and I am proud to be a GRT College of Nursing alumna...

Ms. KAMALA
(2014 – 2018 Batch)

I am **MS. YOKESWARI D.**, Junior Ward In-charge at Sri Ramachandra Hospital, Porur, and I am immensely proud to be an alumna of GRT College of Nursing, where I successfully completed my four-year B.Sc. Nursing program. My four years at GRT College of Nursing were truly memorable and transformative. They were not only a period of academic learning but also a journey that shaped my personal and professional growth and prepared me for the responsibilities of the nursing profession.

I sincerely express my heartfelt gratitude to our respected Principal and all the faculty members for their constant guidance, encouragement, and support. The excellent academic education, hands-on clinical training, and real-time hospital exposure provided by the college gave me the knowledge, confidence, and competence to face the challenges of nursing with dedication and professionalism. The knowledge, clinical skills, discipline, and values I gained at GRT have played a significant role in building my career.

Today, I am happy and proud to serve as a Junior Ward In-charge at Sri Ramachandra Hospital, Porur, and I truly believe that the strong foundation laid during my time at GRT has contributed greatly to this achievement. Beyond academics, GRT gave me wonderful friendships, supportive mentors, unforgettable memories, and valuable life lessons that I will always cherish. Every clinical posting, learning experience, and challenge helped me grow into a more compassionate, confident, and responsible nurse.

I am deeply grateful to all my teachers and mentors for believing in me, motivating me, and inspiring me to pursue my goals. Their guidance continues to influence me in my professional journey. Thank you, GRT College of Nursing, for giving me the opportunity to learn, grow, and succeed. I will always cherish my GRT journey and remain proud to be a GRT alumna.

Ms. Yokeswari.D,
(2014 – 2018 Batch)

I am **NIVETHA**, and I studied B.Sc. Nursing at GRT College of Nursing from **2013 to 2017**. I have so many wonderful moments and unforgettable memories from my college days. Every teacher who taught me during that time played an important role in shaping who I am today.

Their guidance, encouragement, and dedication helped me become the person I am now, and I will always be grateful to them. Today, I am working as a Staff Nurse (Maternal and Child Health) at a Government Upgraded Primary Health Centre, Beerakuppam. Reaching this position was not only because of my hard work, but also because of the strong foundation and valuable knowledge I received from my teachers at GRT College of Nursing.

Their contribution to my journey can never be forgotten. To all the students who are currently studying at GRT, I would like to say one thing: make lots of beautiful memories, but at the same time, gain as much knowledge as you can. You are truly fortunate to have such wonderful and supportive teachers.

I sincerely hope that in the future, each and every one of you will participate in State and Central Government examinations and achieve your dream of securing a good job. With the right knowledge, dedication, and guidance from your teachers, I am confident that you can definitely achieve great things. Always believe in yourself, work hard, respect your teachers, and make the most of your college life. My heartfelt thanks and best wishes to all my teachers and to GRT College of Nursing. I will always be grateful to my college and my teachers for being an important part of my journey. Forever grateful to GRT!

Thank you

Forever Grateful,
- Nivi.

ALUMNI CAREER TESTIMONY - PREETHI RUDHRA S, GRT College of Nursing (2012–2016 - Batch) I am proud to be an alumna of GRT College of Nursing. The education, discipline, and guidance I received from my faculty built the foundation for my professional journey. My college shaped not only my clinical knowledge but also my confidence, compassion, leadership, and commitment to lifelong learning.

After graduation, I started my career as a Registered Nurse at Apollo Cancer Institute, Chennai, where I served for 1.5 years. This experience strengthened my clinical expertise and patient care skills. I then worked as an Application Specialist at Adipolabs Health Care India Pvt. Ltd. for 4.2 years, collaborating with teams connected to Seoul, South Korea. This role enhanced my technical knowledge, product training, communication, and healthcare technology expertise.

Currently, I am working as a Business Development Manager at Genrobotics Medical & Mobility, Trivandrum, Kerala, contributing to innovative medical technologies and expanding healthcare solutions. I sincerely thank my professors and mentors for their constant encouragement and support. I encourage every student to believe in themselves, embrace opportunities, and continue learning.

Hard work, perseverance, and dedication will always open new doors.

With Gratitude,
Preethi Rudhra S
(2012 – 2016 - Batch)
